

"Dance of Love"

Annual Friend Raiser with The Anchorage

Tuesday, April 26, 2022

On Zoom: 7:00-8:00pm

Thank you for being with us! Our hope for this evening is that each of us encounter the living, loving God as we worship, that each of us leave knowing we have been in God's holy presence, knowing we are fully known and fully loved.

Our financial goal is simply to invite you to **listen and then follow as God leads**; that will be just the right amount! We suggest these two important postures for the entire faith journey: Listening and Following.

Worship Flow

Listening

Christina Auch, our Servant Leader (Board) Chair, introduces our "Dance of Love" flow.

Cindy Orr, a gifted musician, helps us listen as we sing. ("Who You Say I Am")

Angie Gage, a Servant Leader, helps us listen as we ponder the verse we read as we begin each of our quarterly Servant Leader meetings. (John 15:5)

Eric Barnhart, also a Servant Leader, and Founder of Urban Contemplatives, helps us listen with our hearts as well as our minds.

Catherine Powell, Founding Servant Leader, expresses gratitude and introduces others.

Penny Wesley, a participant with The Anchorage, shares some of her God encounters.

Mike Smith, also a participant with The Anchorage, shares some of his God encounters.

All may, none must - share briefly if God has blessed you in some way over the years.

Following

Matt Rollins, our Servant Leader Chair-Elect, reflects on our direction for the future.

Bill Dietrich, Advisor for The Anchorage, comments on the value of The Anchorage.

Cindy Orr, leads us as we sing our response to God. ("Jesus, We Love You")

Jonathan Jones, a Servant Leader, offers our Benediction.

Go with God's blessing, go with God's peace, and most of all go with GOD!
